

CloroxPro[®] Pine-Sol[®] Cleaners

Powerful deep-cleaning delivered

Cuts Through Tough Dirt & Grime Quickly

Pine-Sol[®] Multi-Surface Cleaner removes dirt, soap scum, grease, rust and hard water stains from hard, nonporous surfaces.

Disinfects As It Cleans¹

Original Pine-Sol[®] Multi-Surface Cleaner is an EPA-registered broad-spectrum disinfectant that kills illness-causing germs such as salmonella and staph.

Eliminates Odors

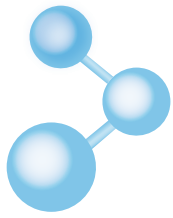

Pine-Sol[®] Cleaners don't just mask odors, they wipe out odor-causing bacteria on floors, countertops, tile, sinks and garbage cans.

The Familiar Scent of Clean

Whether it's the original Pine scent, Lemon Fresh, Orange Energy[®], Sparkling Wave[®] or Lavender Clean[®], Pine-Sol[®] cleaners leaves the long-lasting scent of clean.

1. Of all Pine-Sol[®] products depicted, only Pine-Sol[®] Multi-Surface Cleaner is a registered disinfectant. Use as directed on hard, nonporous surfaces.

Science of Clean

Powerfully Cleans Intense Stains

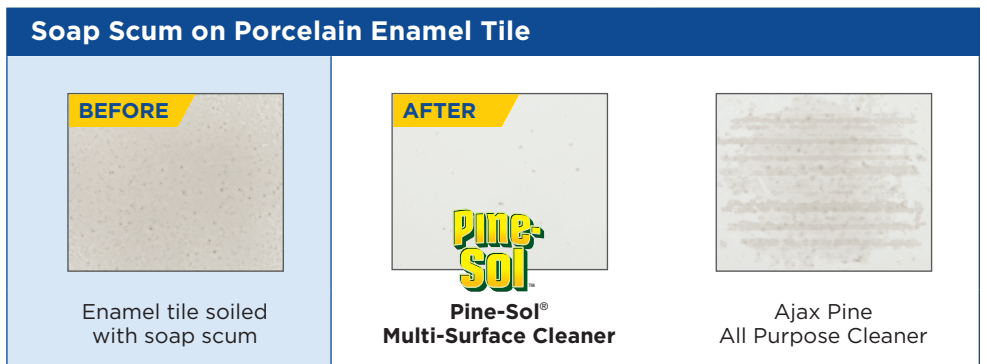

Original Pine-Sol® Multi-Surface Cleaner cleans, disinfects, deodorizes and eliminates unpleasant odors with a scent that conveys clean to your guests, employees and customers. It penetrates and breaks down the toughest soils and the most difficult stains, including:

- ▶ Grease
- ▶ Hard Water
- ▶ Rust
- ▶ Soap Scum

Cleaning Up the Competition

Original Pine-Sol® Multi-Surface Cleaner, is an EPA-registered disinfectant that kills illness-causing germs* and bacteria that can invade your facility.†

Great on Greasy Floors

If a strong alkaline floor cleaner is used on greasy floors, the surface can become slippery through a process called saponification. On greasy commercial kitchen floors, consider using a floor cleaner that is free of strong alkali, such as Pine-Sol® Multi-Surface Cleaner.

What is saponification? Saponification literally means “soap making.” It is the name given to the chemical reaction that occurs when a vegetable oil or animal fat is mixed with a strong alkali (sodium or potassium hydroxide).

* Kills *Salmonella enterica* (Salmonella), *Staphylococcus aureus* (Staph), and Influenza A virus

† Use as directed on hard, nonporous surfaces.

Economics of Clean

The Dilutable Brand of Choice

Since 1929, Pine-Sol® Multi-Surface Cleaner original has helped keep millions of businesses, schools and homes clean and disinfected†. As one of the most versatile and trusted cleaning products available today, the iconic scent of Pine-Sol® is recognized as “a real clean.”
