

CLOROXPRO

# Professional Products

High Standards.  
Proven Results.

Full Line Cleaning Brochure

Providing a high standard of cleanliness is always a top priority for your business or organization. To ensure your success, it's imperative you choose the right product for each of your cleaning jobs. And each product needs to outperform and overdeliver.

## The Complete Package

CloroxPro® offers a broad portfolio of disinfectants and cleaners to meet your needs. Our wipes, sprays and liquids enable quick touch-ups throughout the day and targeted solutions for tough jobs. For more complete cleaning solutions, Clorox offers useful training tools, protocols and educational materials.

### **Cleaning & Disinfecting**

A wide range of cleaners and disinfecting sprays, wipes, aerosols and dilutables that create safer, healthier public spaces.

### **Eco-Conscious Cleaning & Disinfecting**

More sustainable cleaners and disinfectants that help keep facilities clean and healthy while using EPA Safer Choice and Design for Environment approved ingredients.

### **Specialty Cleaning & Disinfecting**

A selection of specialized products from leading brands that address a specific challenge or an area.

**You need to get the job done well.  
It's important and so is selecting the  
right products to help you deliver  
the best results.**

## Delivering a high standard of clean

Recognized and trusted for decades, each Clorox brand reflects a heritage of proven quality and outstanding product performance. With many of the No. 1 brands in the industry, Clorox lets you clean with confidence — knowing you are delivering the type of clean your customers, employees and patrons deserve.

That is where CloroxPro® products can help. With a wide range of products designed to handle the toughest commercial cleaning jobs— from fighting germs to cleaning heavy-duty jobs — you can count on Clorox to deliver a Complete Clean.

# General Cleaning & Disinfecting
